

Physical Education at Brownsville Elementary

Hello,

Your student will receive P.E. two or three times per week. The goal is to educate all students to their highest level of academic and wellness potential, and to teach them the skills and knowledge necessary to lead a physically active lifestyle.

The following information provides a trimester grading scale for 4th and 5th grade students. All specific information follows.

I look forward to working with your student, and having a terrific 2017/2018 school year.

Best regards,

Mindy Halstead
